

Accessibility statement:

GIDA tattoo company complies with the accessibility guidelines of Israeli standards, and web content accessibility guidelines.

We attach great importance to providing high-quality readily available accessible services to all our customers and make every effort to ensure that information and services are also accessible to customers with disabilities. This goes both to the company's digital assets as well as physical locations.

Even though we take great efforts in providing accessible services, you may find pages that haven't been adjusted yet. If you find any unsolved issue of accessibility, please let us know via email to the following address: office@gidatattoo.com

Active accessibility adjustments:

- Colors and text contrasts (inverts the colors)
- Text size adjustment
- Monochromatic colors
